

## Emergency Assistance Under PL 84-99

CATEGORY	FEATURE	CLASS	TYPE OF ASSISTANCE	CRITERIA AND COMMENTS
<b>DISASTER PREPAREDNESS CLASS 100</b>	All Hazard Planning Activities	110	<ul style="list-style-type: none"> <li>Preparation of plans and SOP's for quick and effective response to emergencies</li> </ul>	<ul style="list-style-type: none"> <li>Division and district disaster preparedness programs are funded annually according to organizational requirements and funding parameters.</li> </ul>
	All Hazard Training and Exercise	120	<ul style="list-style-type: none"> <li>Development of and participation in, exercises and training in the inter- and intra-agency arena.</li> </ul>	<ul style="list-style-type: none"> <li>Training and exercises for emergency operations for which division and/or district personnel are participating.</li> </ul>
	Equipment, Facilities, Supplies	130	<ul style="list-style-type: none"> <li>Acquisition, rent, utilities and purchases necessary for a fully functional EOC and alternate EOC.</li> </ul>	<ul style="list-style-type: none"> <li>The costs associated with this expense is shared with O&amp;M Gen, Class 530. Facilities are to be IAW USACE standards.</li> </ul>
	National or Regional Centers of Expertise	140	<ul style="list-style-type: none"> <li>Support by the Readiness/Emergency Management National or Regional Centers of Expertise.</li> </ul>	<ul style="list-style-type: none"> <li>Support must be determined by HQUSACE.</li> <li>Funds RSC.</li> </ul>
<b>EMERGENCY OPERATIONS CLASS 200</b>	Response Operations	210	<ul style="list-style-type: none"> <li>EOC Operations, to include field representatives and LNO's in support of emergency activities (All hazard)</li> <li>Technical assistance (All hazard)</li> <li>Rescue operations (All hazard)</li> <li>Floodfight Operations: <ul style="list-style-type: none"> <li>Loan of flood fight materials and equipment</li> <li>Emergency contracting</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>Commander must declare emergency.</li> <li>USACE assistance is supplemental to state and local efforts.</li> <li>No assistance to individuals or individual businesses.</li> <li>No reimbursement to local interests.</li> <li>Reimbursement required for supplies and equipment (e.g., sandbags and pumps) loaned to states and local sponsors. If a FEMA disaster declaration has been made, DE may waive reimbursement requirement for loaned sandbags.</li> </ul>
	After Action Report	220	<ul style="list-style-type: none"> <li>Provides for the preparation and publication of After Action Reports at all levels.</li> </ul>	<ul style="list-style-type: none"> <li>Class 210 funds must have been used. Summarizes disaster operations</li> <li>Evaluates strengths and weaknesses, recommends corrective action</li> </ul>
	Post Flood Response	230	<ul style="list-style-type: none"> <li>Response to a Governor's request for assistance following a flood.</li> </ul>	<ul style="list-style-type: none"> <li>Limited to 10 days following receipt of Governor's request.</li> <li>Governor's request must be concurrent with or subsequent to State request for Stafford Act emergency or disaster declaration</li> </ul>
	Operational Supplies and Equipment	240	<ul style="list-style-type: none"> <li>Maintenance of equipment and replenishment of supplies used during emergency operations.</li> </ul>	<ul style="list-style-type: none"> <li>Corps of Engineers use only. Can not be used to replace supplies or equipment for State and Local governments</li> </ul>
	Support from Others	250	<ul style="list-style-type: none"> <li>Support received from other Federal agencies in response to a flood or coastal storm emergency.</li> </ul>	<ul style="list-style-type: none"> <li>Can only be used during a flood related emergency for reimbursable under PL 84-99</li> </ul>
	Operational Support	260	<ul style="list-style-type: none"> <li>Support provided by USACE Labs, and non-Corps organizations.</li> </ul>	<ul style="list-style-type: none"> <li>Applicable for use by HQUSACE <b>ONLY</b>.</li> </ul>
	Operational Support	260	<ul style="list-style-type: none"> <li>Support provided by USACE Labs, and non-Corps organizations.</li> </ul>	<ul style="list-style-type: none"> <li>Applicable for use by HQUSACE <b>ONLY</b>.</li> </ul>
<b>REHABILITATION AND INSPECTION PROGRAM CLASS 300</b>	Rehabilitation Project – Federal FCW	310	<ul style="list-style-type: none"> <li>Rehabilitation of active Federal flood control works</li> </ul>	<ul style="list-style-type: none"> <li>Written request from public sponsor responsible for operation and maintenance of project.</li> <li>Must be damaged by flood or coastal storm.</li> <li>Restoration to pre-disaster level of protection (physical height)</li> <li>Rehab must be economically justified. Repair of maintenance deficiencies is local responsibility/cost.</li> <li>Cost share: 100% Federal (Current)</li> </ul>
	Rehabilitation Project – Non-Federal FCW	320	<ul style="list-style-type: none"> <li>Rehabilitation of active non-Federal flood control works</li> </ul>	<ul style="list-style-type: none"> <li>See criteria and comments for Federal rehab, Class 310.</li> <li>80% Federal / 20% non-Federal cost share (Current)</li> </ul>
	Rehabilitation Project – Hurricane/Shore Protection Project	330	<ul style="list-style-type: none"> <li>Rehabilitation of eligible Federally authorized and constructed Hurricane/Shore Protection Projects.</li> </ul>	<ul style="list-style-type: none"> <li>Restoration to lesser of (1) pre-storm condition, or (2) level needed for adequate functioning of the project</li> <li>Normally requires CG/public sponsor cost share per PCA.</li> </ul>
	Field Investigation	340	<ul style="list-style-type: none"> <li>This is to conduct the investigation and the preparation of the Project Information Report (PIR) for flood control works</li> </ul>	<ul style="list-style-type: none"> <li>Flood control works must be active in the RIP, and have been damaged by a flood or coastal storm.</li> </ul>

## Emergency Assistance Under PL 84-99

CATEGORY	FEATURE	CLASS	TYPE OF ASSISTANCE	CRITERIA AND COMMENTS
<b>REHABILITATION AND INSPECTION PROGRAM CLASS 300 (Cont.)</b>	Initial Eligibility Inspections (IEI)	350	<ul style="list-style-type: none"> <li>Initial Eligibility Inspection is conducted on an inactive flood control project based on established criteria. Inspection determines if: <ul style="list-style-type: none"> <li>the public sponsor is qualified.</li> <li>the project meets engineering and maintenance criteria.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>Project was constructed using non-Federal funds, or WPA/CCC</li> <li>Sponsor must be a public entity with financial authority</li> <li>Minimum level of protection required: <ul style="list-style-type: none"> <li>Ag levee: 5 year with 1 foot of freeboard</li> <li>Urban, Ag with infrastructure: 10 year with 2 feet of freeboard</li> </ul> </li> <li>Active maintenance program that ensures levee viability</li> <li>Adequate maintenance of structures and fixtures</li> </ul>
	Continuing Eligibility Inspections (CEI)	360	<ul style="list-style-type: none"> <li>Periodic inspection of active non-Federal FCWs to ensure the project is being maintained in accordance with USACE criteria.</li> </ul>	<ul style="list-style-type: none"> <li>Refer to ER 500-1-1 for inspection criteria.</li> </ul>
	Interagency Levee Task Force (ITF)	370	<ul style="list-style-type: none"> <li>Funding, beyond what FEMA provides via a mission assignment, to manage operations of an ILTF</li> </ul>	<ul style="list-style-type: none"> <li>HQUSACE-approved, Division-led task force formed following a major event where numerous levees need rehab.</li> </ul>
<b>WATER ASSISTANCE CLASS 400</b>	Emergency Water Supplies (Contaminated Source of Water)	410	<ul style="list-style-type: none"> <li>Provide emergency water to a locality.</li> </ul>	<ul style="list-style-type: none"> <li>Contaminated source of water causing threat to public health and welfare. Human consumption only. 100% Federal cost.</li> <li>Supplemental to state and local resources</li> <li>Governor's written request</li> <li>30 day limitation (extendable under certain conditions)</li> </ul>
	Drought Assistance	420	<ul style="list-style-type: none"> <li>Transportation of water at Federal expense.</li> <li>Well drilling on a reimbursable basis.</li> </ul>	<ul style="list-style-type: none"> <li>Designation by ASACW of drought distressed area.</li> <li>Water for human consumption only. 100% Federal cost.</li> <li>Applicants may be farmers, ranchers, or political subdivisions.</li> <li>All requests must come through the State.</li> </ul>
	Field Investigations	430	<ul style="list-style-type: none"> <li>PIR preparation.</li> <li>Technical assistance.</li> </ul>	<ul style="list-style-type: none"> <li>Preparation of report for either emergency water or drought assistance</li> </ul>
<b>ADVANCE MEASURES CLASS 500</b>	Advance Measures Assistance	510	<ul style="list-style-type: none"> <li>Preventive work performed due to <i>imminent threat of unusual flooding</i>.</li> <li>District may provide technical assistance upon receipt of funds from HQUSACE.</li> <li>Advance Measures projects or direct assistance requires HQUSACE approval.</li> </ul>	<ul style="list-style-type: none"> <li>Prediction of unusual flooding by NWS or Corps (imminent threat)</li> <li>Threat to life or improved property.</li> <li>Complements maximum state and local efforts.</li> <li>Work completable in time to prevent damages.</li> <li>Work must be technically feasible and economically justified.</li> <li>Removal or upgrades performed by sponsor at no cost to USACE.</li> </ul>
	Field Investigations	520	<ul style="list-style-type: none"> <li>Investigate eligibility and prepare Project Information Report.</li> </ul>	<ul style="list-style-type: none"> <li>Request from Governor for assistance.</li> </ul>
<b>HAZARD MITIGATION CLASS 600</b>	Hazard Mitigation	600	<ul style="list-style-type: none"> <li>USACE participation in FEMA-led hazard mitigation effort intended to identify post-disaster mitigation opportunities, and establish framework for recovery.</li> </ul>	<ul style="list-style-type: none"> <li>Presidentially declared major disaster</li> <li>Activation of Hazard Mitigation Team by FEMA</li> </ul>

## OTHER EMERGENCY ASSISTANCE AUTHORITIES

<b>INSPECTION OF COMPLETED WORKS (ICW)</b>	Inspection of Federal flood control works and certain other Corps-constructed projects	O&M Gen	<ul style="list-style-type: none"> <li>Periodic inspection of active Federal FCW's to determine if the project is being maintained in accordance with USACE criteria.</li> <li>Permitting of alterations to Federal FCW's.</li> </ul>	<ul style="list-style-type: none"> <li>Correlates to Class 360 for non-Federal FCW's.</li> <li>Refer to ER 1130-2-530 for specifics.</li> </ul>
<b>ARMY REGULATION 500-60</b>	Emergency Response to Any Disaster	NA	<ul style="list-style-type: none"> <li>Limited emergency relief efforts (e.g., route clearance for emergency vehicles, etc.)</li> <li>Search and Rescue (for life saving purposes).</li> </ul>	<ul style="list-style-type: none"> <li>Life saving activities and/or protection of significant infrastructure using USACE equipment and personnel.</li> <li>Funded from overhead account. No contracting allowed using USACE funds.</li> </ul>

			• No reimbursement, unless DA makes funds available.
<b>STAFFORD ACT</b>	Emergency Response and Recovery per the Federal Response Plan	NA	<ul style="list-style-type: none"> <li>• ESF #3 Public Works and Engineering (Requires FEMA mission assignment and FEMA funding.)</li> <li>• DOD/DOMS directed mission (non-ESF-3)</li> </ul> <ul style="list-style-type: none"> <li>• Presidentially declared major disaster or emergency declaration, or activation by FEMA Regional Director.</li> <li>• Division Responsibility to staff ROC and DFO.</li> <li>• Mission Assignments through ESF#3 Team.</li> </ul>

NOTE 1: Class 110, 120, 130, 140, and 360 funds are requested through annual budget funding process. All other funds are requested “out of cycle” on an as needed basis.

NOTE 2: This document is neither completely comprehensive nor authoritative.

NOTE 3: Federally recognized Indian tribes and Alaska Native Corporations may submit requests direct to USACE, through BIA, or through the State
